TRIBAL COUNCIL TRAVEL REPORT NARRATIVE

Re: Mackinaw Casino Meeting - Escanaba (Tribal Council Meets LTBB Citizens)

As had been pre-arranged, I and several members of Tribal Council and Treasury Director Michael Garrow met with LTBB Citizens of the Escanaba area to present the plans for LTBB's proposed Mackinaw Casino and to address any concerns and answer any questions they may have. The meeting took place at the Escanaba City Hall, 401 Ludington Street, Escanaba, MI.

Four Tribal Citizens attended, including one from Harbor Springs. The presentation appeared to be well received with their questions answered, concerns addressed, and comments well taken. The Citizens did feel that if the meeting were held in the evening that more might have attended.

Thank you for allowing my attendance. As a side note, and as previously stated, I believe that we need to make a more concerted effort to meet with our Tribal Citizens that reside in other parts of the State.
